

POLISMATA

POLISMATA

In the times of Homer, Polismata was the name for the small kingdoms. Four of them were Zarnata, Lefktro, Oria and Passava after which the stone maisonettes-villas of the complex were named.

These beautiful, spacious apartments, operating all year round, offer privacy and isolation, along with magnificent sea views, the mountain, the olive groves and the breathtaking sunsets.

Our desire was to create a beautiful and comfortable place, where tradition, nature and modern comfort are harmoniously embraced. A place that makes your accommodation in Kardamyli a wonderful experience. A place where you can enjoy your holidays on a magical landscape. You will spend a relaxing and quiet vacation during your stay in Kardamyli.

THE LOCATION

Kardamyli is a coastal village located in Mani of Messinia 35km south of Kalamata. There are two routes to reach Kardamyli, either by the Prefecture of Laconia following the coastal road that passes from Gythio and Areopolis, or by the Prefecture of Messinia crossing the capital of the Prefecture of Kalamata, and continuing the coastal road. The route from Kalamata is the shortest, about 40 minutes.
