AUTHENTIC GREEK HOSPITALITY

With a dynamic presence in Athens (Plaka, Syntagma), Cyclades (Serifos, Kimolos, Milos and Santorini), Epirus (Zagori), Crete (Chania, Heraklion, Lasithi) and shortly in Peloponnese (Kardamyli) and a philosophy that is far from the tourist well-trodden path, the boutique hotels chain independent residences Aria Hotels travels us to places that exude strong images, colors and aromas of Greece! Specifically for Crete... the whole concept, reminiscent of a travelogue, gives us the opportunity to take a colorful historical tour at the treasures of the place! The magical journey starts in the best way... our acquaintance with the Old Town of Chania, with our stay in the historic Venetian building, where the wonderful Alcanea Boutique Hotel is housed in the Old Port, with eight atmospheric rooms and exceptional Café & Wine Bar... A few steps further into the Old Town, we can find Files Art Hotel, the new gem of Aria Hotels, a boutique hotel with six modern spacious rooms and distinct decoration. Astraia Residence, a fully renovated two-bedroom independent residence with a magnificent view of the Old Port, comes to complete the jigsaw puzzle of accommodation options in the Old Town of Chania.
