ONAR PATMOS

With amazing sea views, ONAR PATMOS consists of six independent traditional properties that are built within a plot of land of 8,000 square meters. It is surrounded by a richly outdoor area with kiosks for moments of relaxation and tranquility under the blue sky of Patmos.

These six dream houses are named after the Nymphs of Greek mythology, known as water goddesses: Melia, Amalthea, Volina, Kastalia, Neda, Aora. Surrounded by lush gardens of trees, flowers, aromatic herbs, fruit, and vegetables, "the houses of the Nymphs" can become a special retreat for guests who want to experience the authentic Mediterranean summer.

To complement it all, a small, white-washed church at the top of the hill in full harmony with the landscape is proudly gazing at the horizon of the Aegean Sea, adding a note of calmness and spirituality.

THE LOCATION

Patmos is one of the smallest inhabited islands of the Aegean Archipelagos. Dressed in the authentic white and blue of the Aegean Sea, with sinuous shores, magnificent bays, and crystal-clear waters. The main village of Chora - a World Heritage Site as declared by UNESCO - is a masterpiece of folklore architecture with arcades, alleys, and white-washed houses.

At the same time, Patmos is worldwide famous for being “the Jerusalem of the Aegean Sea” as it is an important religious center due to the Byzantine Monastery of Saint John the Theologian and the Cave of the Apocalypse. In whichever spot of Patmos one stands, the memories and the roots of the past are so intense that they keep traditions alive to date.

Onar Patmos is only 12 min away for Patmos Port and 1 min from Petra Beach and the Rock of Kalikatsou, a huge rock that stands in Grikos Bay.
