

An aerial photograph of a coastal resort. In the foreground, there are several stone buildings with terracotta roofs, surrounded by lush greenery and olive trees. A swimming pool is visible between the buildings. In the middle ground, there is a large, curved, glass-enclosed structure, possibly a greenhouse or a covered walkway. The background shows a sandy beach, the blue sea, and distant mountains under a clear sky.

## L I O D E N T R A

“Liodentra”, in Greek folklore literature, derives from the word Elaiodentra which means Olive Trees. The traditional guest house “Liodentra” is a seaside complex, located in the picturesque Mani Peninsula. Situated in an ideal location, the guesthouse affords magnificent landscape surroundings and direct access to the deep blue Mediterranean sea.

Respect for the environment and preserving the traditional architecture of the place are the main characteristics of the traditional guesthouse “Liodentra”. Stone, wood and metal were used in traditional techniques by local craftsmen, resulting in an inspiring composition of authentic accommodation and local design.

The wooden skeleton of the roof constructed with old Byzantine tiles, the local Mani stone, carved from large blocks, everything was carefully chosen to create this magnificent traditional stone-built guesthouse. The natural materials, colors and characteristic fragrances of the place, refer to past times that reminisce authentic Greek hospitality.

The 2 two-storey houses are furnished with antiquities that have been selectively collected over the years from all over the world. The authentic 19th-century treasure chest, the German bookcase from the Alps, the English vintage wash stand, along with the Persian carpets and French engravings, all contribute to the interior design of exquisite aesthetics and unique atmosphere of Liodentra traditional guesthouse.

## THE LOCATION

Charming, wild and beautiful, the peninsula of Taygetos, Mani is a symbol of Greek bravery and is divided geographically by the Taygetos ridge in Messinia (Aposkeri Mani) over the Messinian Gulf and Laconian Mani (Mani Prosilia).

There, in Messinian Mani, only 38 km distance from the town of Kalamata & 47 km from the airport is Kardamyli.

In case you would like to reach Liodentra by car, the distance from Athens is approximately 3 hours.

## ACCOMMODATION

“Liodentra” is a seaside complex, comprising of two houses and a studio, located in the picturesque Mani Peninsula. Each two-storey house of 135 sq.m. consists of 2 bedrooms that can accommodate at least 4 people, 2 or 3 bathrooms respectively, 2 large living areas with a desk, a traditional balcony and a large terrace which offers the perfect place under the metal pergola for an afternoon rest or dinner under the moonlight.

The feeling of luxury and hospitality are complemented with all modern amenities like the automatic central air conditioning, the traditional fully equipped kitchen, TV and Wi-Fi access throughout the guesthouse, as well as the iPod docking stations, providing complete autonomy and all required amenities for your pleasant stay.

This ground floor studio of 38 sq.m. is the small fairy cottage of Liodentra & it is the couple’s favorite Choise. It consists of a single room and has a separate bathroom. It was built with love and respect to tradition.
