

ARIA HOTELS

AUTHENTIC GREEK HOSPITALITY

COMPANY PRESENTATION

ABOUT US

Aria Hotels is Libra Group's Greek-born hospitality subsidiary with a curated collection of boutique hotels and villas dedicated to authentic Greek hospitality.

The company has several hotels and villas in exceptional destinations of unique natural beauty throughout Greece: Athens, Evia, Crete, Cyclades, Sporades, Epirus, Peloponnese, Ionian islands, and Dodecanese.

MISSION & VISION

The Aria Hotels philosophy is founded on three principles: respect for the environment, an appreciation of culture, and a passion for discovery.

Each hotel has been selected for its architectural merit and its contribution to the preservation of local heritage. Outstanding quality in service and accommodation are the core of the Aria Hotels experience.

A World of Hospitality, Rooted in Greece.

HISTORY

2009

The Aria Hotels story began in 2009 with the acquisition of The Windmill in Kimolos Island, and the conversion of a traditional Greek windmill dating from 1852 into a boutique hotel.

2010

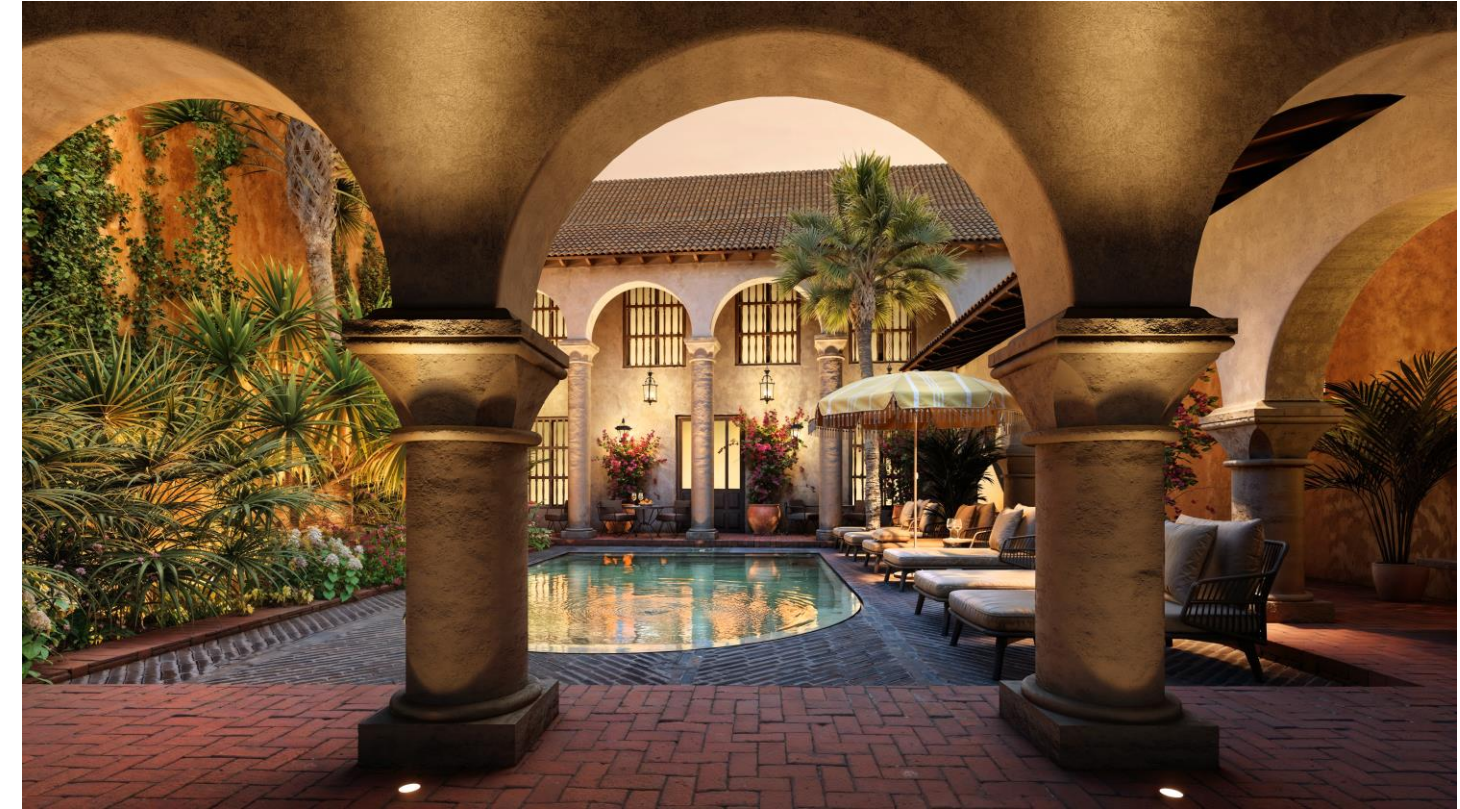

From Kimolos, Aria Hotels continued on to Crete with Alcanea Boutique Hotel and other diverse properties including beachfront hotels, secluded villas and wine tourism retreats.

2019

One of the most important and beautiful house of Greece is added in Aria Hotels Portfolio. Patrick & Joan Leigh Fermor House in Kardamyli becomes the flagship.

2022

Aria's collection is diverse and ranges from suites in the heart of Athens to an exclusive boutique hotel in Zagori, to popular destinations like Evia, Crete, Cyclades, Peloponnese, Sporades, Dodecanese and Ionian Islands.

2024

During 2024 the company has grown to over 60 properties, ranging from charming beach houses to boutique hotels and villas all over Greece.

2025

Aria Hotels proudly announces its expansion across two continents, bringing its unique hospitality to over 10 exceptional destinations. Aria Hotels is also embracing advanced air mobility by integrating eVTOL technology, enhancing seamless and sustainable travel experiences for its guests.

MANAGEMENT SERVICES

Hotel Operation & Consulting

Specializing in independent villas & boutique hotels, Aria Hotels deliver high-quality personal service, and leverage the unique character of independent hotels, by creating unique guest experiences and increasing guest satisfaction. With creative strategies and best practices, turns around hotels and reposition them to become local market leaders.

Hotel Project Management

Aria Hotels partners with clients to deliver projects from “concept to completion” by implementing a full suite of customized services for hotels and hospitality environments that optimize projects, minimize client risks and drive long-term value.

STRATEGIC PARTNERHIPS

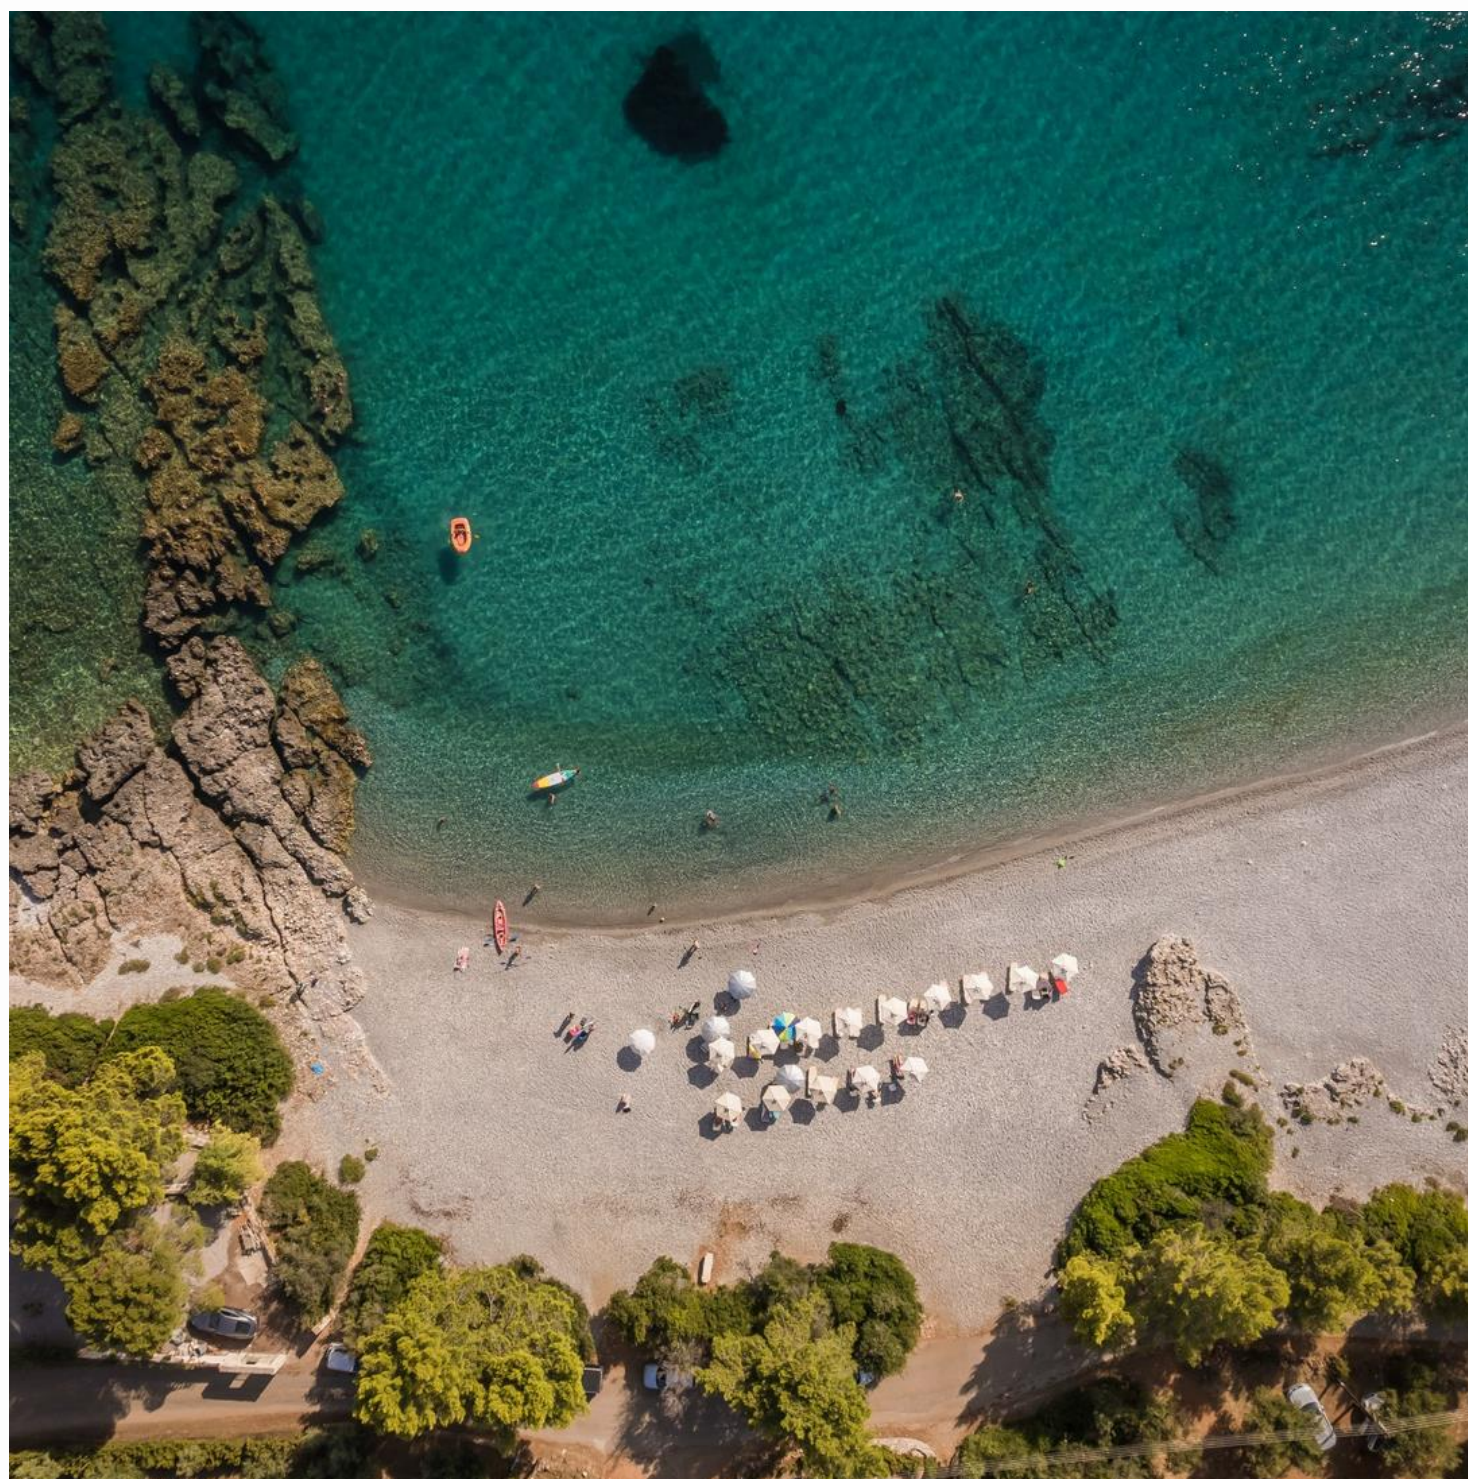

PARTNERSHIPS

Aria Hotels proudly collaborates with the **Benaki Museum**, managing the **Leigh Fermor House** during the summer months and supporting its mission to preserve and promote Greek heritage. Building on this partnership, recent discussions explored further opportunities to integrate hospitality with cultural initiatives, enhancing guest experiences through art, history, and curated events.

Continuing its commitment to cultural engagement, **Aria Hotels** is strengthening its collaboration with the **Museum of Cycladic Art** by supporting the **Young Patrons Summer Weekend** as a hospitality sponsor. As part of this initiative, Ventus di Milos will host the event, providing a unique setting that blends contemporary hospitality with Greece's rich artistic legacy.
